Addit tablet holder - option 050

The Addit universal tablet holder easily integrates your tablet or smartphone into your workspace. Mount it to any VESA-compatible monitor arm or wall bracket and position your device at eye level for hands-free comfort and easy access. Suitable for offices, retail, hospitality and healthcare, it supports devices from 4.7" to 15" and fits VESA 75 x 75 mounts. Combine with a height-adjustable arm for a fully ergonomic and flexible setup.

- Suitable for smartphones and tablets from 4,7" to 15"
- Clamp width adjustable from 125 to 265 mm
- Supports devices up to 15 mm thick and 1 kg in weight
- Mounts to VESA MIS-D 75 x 75 mm
- Spring-loaded clamps automatically adjust to various smartphone and tablet sizes for a stable hold
- Quick and easy installation
- Full access to all buttons and ports
- Scratch-free grip keeps your device secure
- Easy to insert and remove your device
